

**Amanda Frayn – Director**

**Membership Services and Facility Manager  
Grande Prairie & District Chamber of Commerce**

**I worked in EMS for 10 years from EMR to Paramedic throughout the Peace Region. Although I currently don't work in EMS, it always has been and will always be a passion of mine. Over the last two years I have been able to remain involved through the foundation. It has given me the opportunity to give back to the resources that helped me with my education and career, such as the Troy Drysdale Emergency Services Bursary. It has also allowed me to be a part of developing and assisting new programs that will support and strengthen our EMS system not only locally but throughout the region and province.**

**I look forward to the next year on the board. I am surrounded by directors who are passionate about EMS and continually strive to meet our Mission and Vision. I am so proud to be promoting and supporting EMS. It is full of dedicated employees and volunteers who all strive to do their very best and at the end of the day we can all say we have made a difference.**
